Top N Stations in Orange

20

### Observations

There are significant differences when comparing between the weekdays vs weekends:

1. Overall average daily ridership on the weekends is lower.
2. The top stations are mostly in Midtown, but on weekends, Central Park .
3. Similar pattern for the starting and stopping stations.

Bonus: Press 'Play' button above to see changes during all the weeks from June 2013 to May 2018.
